## Praise Report on Africa Prays Saturday December 1, 2007

**Praise the LORD, all nations! Extol him, all peoples! - Psalms 117:1**

We praise God for another Africa Prays Project for this Month on Saturday December 1st. It was another glorious day spent in praising and worshipping God for Africa.

The project kicked up with a welcome remark and opening prayers by Brother Paul Taiwo, followed by a short word of exaltation by Pastor Patricia Johnson, a pastor at Hope Christian Church. She talked about the importance of Godly leadership in the affairs of Africa and implementation of the right core human development policies. Next was the time of Praise and Worship conducted by Sister Titi Taiwo encompassing these prayer points:

9th - Tanzania; 11th - Burkina Faso; 12th - Kenya; 18th - Niger;

- For Godly leadership to boldly take hold in African countries.
- That the people will repent of their sins, ask for forgiveness, humble themselves and be persistent in seeking God.
- For breakthrough pertaining to the implementation of developmental policies in Africa;

Please as always continue to lift these points up in prayer till our next meeting in the New Year, January 5th, 2008.

Brother Eric Handy, a Flutist, was guest artiste. He was magnificent playing the flute in His presence with a rendition of You are Alpha and Omega, the theme song of AFRICA NEEDS U, and the powerful Alleluia Salvation Glory song.

Brother Paul Taiwo, Executive Director, ANU, gave the praise reports, first thanking all those who came out to Praise and Worship the Lord for Africa. He encouraged us all to come with our children as one of them could be like Dr. Condoleezza Rice in the future or better still the President of the United States, with a first hand understanding of African issues. Again, he reminded all present to program their calendars and invite friends and family to the next session on the 1st Saturday of the New Year, Jan 5th, 2008.

A short presentation was given before the announcement and closing prayer at 5:50pm by Sister Paulette Mpouma, Director of procurement, African Diaspora Medical Project <http://www.ADMproject.org>. This was followed by refreshments and fellowship.

\*\*\* Once again, special thanks to Hope Christian Church, Beltsville, MD for the use of their Youth Worship Hall.
