## Praise Report on Africa Prays

Saturday November 1st, 2008

We give God the adoration for another glorious evening of Africa Prays, Praise and Worship session this past Saturday. The Executive Director of Africa Needs U, Paul Taiwo, welcomed all who came out to stand in the gap for Africa. He encouraged all present to remember God's charge to His people in [Exodus 23:25](#) about Worshiping and Praising Him to abound protection upon us all. Again, Pastor Niyi Adams, Sister Dola & Brother Solomon, our guest praise team led us in various renditions of Praise and Worship Songs as we thanked the Lord for Africa's progress.

Brother Paul Taiwo, also reminded us of our Lord's word in [Isaiah 43: 18-19](#), '*Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it?*' Also, Jesus in [John 14:14](#) says that anything we ask His father for shall be granted. Sister Toyin Oguntolu then led us in a powerful time of prayer. First she asked all to pray for the United State, that the upcoming Presidential elections would be peaceful and God's candidate would be elected. Next, she led all in thanksgiving prayers for sustaining peace in Haiti, Kenya, Uganda, Ivory Coast and Chad, for a successful celebration of the 1st Year Anniversary of Africa Prays and for a peaceful Presidential election outcome in Zambia ([Banda elected](#)). Lastly, she randomly asked others present at the meeting to pray concerning the following prayer points for November;

1. Pray for countries celebrating their independence day in November: **Angola (11) & Mauritania (28)**.
2. That God would cause leaders who will seek after and do the will of God to be raised up in Pan African countries and the world.
3. Continue to pray for a change in the heart of the people against greed in all ways, that they would repent, humble themselves and be persistent in seeking after the heart and will of God.
4. Continue to pray for success in planning, development and implementation of policies, programs and events geared towards the spiritual & physical development of Africa.

6. For our families; economic/cultural change that will allow more women to become productive and proactive in the development of Pan-African Countries.
7. For permanent peace to take hold and continue to reign in the land.
  - Africa – Sudan; Somalia; Central African Republic; Nigeria; Congo; Buruundi.
  - America – Nov 4, 2008 presidential elections will be peaceful and God's candidate will prevail ([Obama elected](#)).

8. Pray for Africa Needs U (ANU), that God will make resources available for day to day operations and the planning and implementation of the [Africa Ask](#) project in the coming months. Our goal for FY 2009 is to raise \$300,000.
  - [The Redeemer Man.... Plan](#), that God will grant utterance and favor concerning this project.

Please continue to lift these points up in prayer and find time to join us next first Saturday, December 6th, 2008, at our Africa Prays session from 4 - 6:00 pm at Hope Christian Church, Youth Worship Hall in Beltsville, MD. 20705.

Brother Paul Taiwo, thanked all who came out to worship and stand in the gap for Africa. He welcomed all who came for the very first time to Africa Prays and encouraged them to endeavor to join us every 1st Saturday of each month. He also invited all present to the Africa for Jesus, Prayer Breakfast and Thanksgiving Praise program on Saturday November 15th, 2008. He called our attention to a great new web site for discourse on African issues called [AfricaUnbound.com](#) Published by Dr. Rahel Kassahun; Also the news article from the Mo Ibrahim Foundation in [AllAfrica.com](#) '[Africa: Government Improves Across Continent](#)' as a must read for positive changes taking hold on the continent.
