Paul Taiwo, ANU Executive Director, gladly welcomed all the saints who came out to stand in gap for Africa on a beautiful Saturday evening, thanking all for their endurance and belief that Africa is changing by His merciful grace. He affirmed boldly, from **Isaiah 60:1, Africa Arise shine; for thy light is come, and the glory of the Lord is risen upon thee...**, he prayed that, light shall continue to beam upon the land and her people IJN. Drum maestro Bro Ben Joseph's team, incredibly ushered all into the presence of God with songs of praise as **Angels R singing, this is the Day, Holy Spirit, Alleluia hey** and many more exalting Him.

An elated Rev. Paul, in the **Praise Report**, gave all glory to our God, for numerous testimonies from news clips and articles highlighting incredible changes across the continent of Africa; like Africa is Hooked on growth from CFR; Why is everyone talking about Africa?—ITA; Africa, the hopeful Continent; Africa rising—but who benefits-BBC; Africa Growth Story Brightens-IPS; Africa, the next frontier for economic growth-Economist; Is this Africa's Decade? and many more. He said, there will of cause be pockets of distractions; looking around you now, you still find little pockets of dark areas even with the light you have on, don't let that distract you with your works, just find something good to do to continue to till the vineyard around you. He said, the Nigerian Boko Haram issue will pass, just as the Bakassi Boys, Egbesu Boys, OPC and many other distractions have passed, IJN; in Congo DRC, the **M23** rebels have surrendered and renounced hostilities...alleluia! Sudan and South Sudan is another great testimony to recall. He reminded all again from **John 14:13**, that Christ said **"...and I will do whatever you ask in my name, so that the Father may be glorified in the Son."** Rev Taiwo concluded that greater things are yet to come, and encouraged all to just believe and be patient, wait for **A New Story**. Believe Africa is changing by His grace IJN, and by works that, as we plant a seed, just as **Africa Ask** ANU's, developmental arm currently has over 20 different projects across Africa. He encouraged all to visit the website at [africa-needsu.org](http://africa-needsu.org) and support by selecting the **DONATE NOW**; he then launched into a song, **U R the Lord, let U R name be glorified, we give U glory and honor...** A powerful closing prayer by Sister Lucy Robinson, as she gave thanks and praise for a beautiful Africa Prays. The time ended with lite refreshments and fellowship ensured. Praise the Lord!
