

Africa Needs U, Inc.

- Re-awaken the world to the need for a massive program envisioned for the economic and infrastructural development of the African Continent focused on core human development needs primarily to target the youths and the rural areas.

AFRICA - REDEEMER MAN PLAN - MIDA

Timeline: 2015 - 2020 - 2025

Why Redeemer Man?

In honor of our Lord and Savior, the provider of all things , the ever merciful and compassionate, in bringing forth Africa's image of a peaceful development frontier and shield to all mankind.

- *Massive Infrastructural Development of Africa (MIDA) comparative to the Marshall Plan in Europe*
- *Help change the heart of the world leaders in supporting and backing this plan and*
- *implementation stages thru AU, UN, WB ADF, ALF, MIF and other organizations and agencies....*
- *Co - opt African leaders under the AU to formulate different agencies to support implementation*
- *Incorporate Regional bodies as co - implementers for future maintenance of regional units*

MIDA

- *Utility Infrastructure:- Roads/Bridges, Power, Water Resources - Sewer, Telecoms etc...*
- *Social Infrastructure:- Health, Education, Agriculture, Housing and Commerce & Trade*

This program seeks to advocate and/or solicit governments around the world to implement policies that favor increased philanthropy towards Africa. This will encourage private individuals, corporations and organizations to practice increased giving and partner with Africa in meeting the developmental needs of the continent, comparable to the Marshall Plan of the late 1940's in Europe in all areas of need....

- Education Health
- Water Resources Agriculture
- Transportation Energy
- Sanitation / Sewer Environment Re
