Praise the LORD, all nations! Extol him, all peoples! - Psalms 117:1

## Praise Report on Africa Prays

Saturday June 5th, 2010

Yet, another wonderful day of thanksgiving unto our Lord this past Saturday. A full day of activities, started with a power brunch for the release of ANU's end goal vision project, the **Redeemer Man Plan - Massive Infrastructural Development of Africa - MIDA Project**, akin to the Marshall Plan implemented in W. Europe at the end of WWII from 1947-52, a program for the economic redevelopment of war battered W. Europe. In attendance at the brunch were several, African Diplomats, Clergy and friends of ANU, who came to witness the way forward for a New Dawn in Africa. Rev. Paul Taiwo, the executive Director of ANU, at the release in Hanover, MD., presented the MIDA Project as a 5 to 10 years massive development plan for Africa; a plan to provide and/or supplement all kind of infrastructures in all facets of core human developmental needs on the Africa continent.

He enjoined all to continue to pray, fast and believe that with Almighty God all things are possible. He reminded all that a Marshall Plan for Africa has been raised several times in the past 10 years by various leaders across the globe, including the **NEPAD** initiators, former President's Mbeki of South Africa, Obasanjo of Nigeria, President Abdelaziz Bouteflika of Algeria and Abdoulaye Wade of Senegal; including former Arch Bishop Ndungane of Cape Town South Africa, former British PM's Tony Blair and Gordon Brown and several others. He said here is the vision, drive and purpose for ANU.

Later in the evening of Saturday, June's Africa Prays session took place at the New Wine Assembly Church in NE, DC. A glorious time of Thanksgiving, Praise and Worship energized all who came out to stand in gap for Africa on a busy but beautiful day. Again, Rev. Taiwo, welcomed all, thanking our Lord for their faithfulness and love of Africa. He admonished all to believe that Africa is changing positively; to sow a seed for tomorrow's Africa by investing their time, energy and resources in making Africa a land of refuge, calm and grace as designed by God, rather than complain or whine, but to be thankful. The New Wine Assembly musical team powerfully led all in a great time of Praise Worship.

Sister Abby Williams facilitated a flowing time of prayer, selecting at random those present to lead June prayer points, inclusive of the following; thanksgiving prayers for peaceful hosting of the Soccer World Cup in South Africa and

A powerful time of thanksgiving praise followed the prayer session. Rev Taiwo, again encouraged all to believe that truly Africa is changing, saying our Asian brothers from China, India and South Korea are investing greatly across Africa, that we should check the place out also, to sow a seed of love and progress back into the land. He said, as we pray, God is doing something new in Africa daily, citing Nigeria, Uganda, Ivory Coast and DRC Congo as progresses been made. He touched on the MIDA Project as a supplementary plan for the Massive Development of Africa from the rural areas first. Dr. Ezra Suruma, then ended us in closing prayers

followed by a great time of fellowship.
