## Year of Amazing Love Transformation - Praise Report

Saturday April 7th, 2012

Honor n Praise be unto God for Africa Prays this past Saturday at April **Africa Prays** session, on a beautiful, cool sunny evening at Grace of God Ministries International Church, (GGMI) in Bladensburg, MD. The Executive Director of Africa Needs U, Inc., Rev. O. Paul Taiwo, gladly rejoiced with all who came out to stand in the gap and thanked them for their faithfulness. He called Pastor Akintunde Phillips, the host Pastor, who gave a short opening prayer and welcomed those who came out, attesting to two other activities church members were involved. He reminded all about the day of small beginning for a great vision and encouraged all present to be prepared for what our Lord is doing in Africa, ANU's later rain shall be greater than today, he prophesied. Talented Brother Ben Joseph and the praise team of GGMI led a glorious worship time setting off with **Jehovah, we bless U...**

The Graceful Youth Dance ministry of GGMI, beautifully ministered to the song, **Kene Jesu** and prepared all for a holistic and powerful thanksgiving prayer led by Brother Aita Imonitie, who charged us all to believe that truly Africa is changing and prayed for grace wisdom, clarity and provision for implementation of AU endorsed **PIDA Plan**; protection, grace n favor for US and President Obama; **RIP President Mutharika of Malawi and peaceful transition and swearing-in of Lady Banda**. As usually done, all African Countries celebrating their independence day each Month, as in April were prayed for, such as **Senegal -16, Zimbabwe -18, Sierra Leone-Togo-South Africa - 27**. Prayers were lifted up for a successful World Health, Earth and Malaria Day's, thanking God to eradicate the malaria scourge affecting children in most parts of Africa. There were ongoing prayers for the fruit of the spirit especially those of **LOVE, PEACE n FORGIVENESS** to replenish the land of Africa and the session ended with recurring prayer for the Peace of JerUSAlem. There was a reminder about the **5th Annual Thanksgiving Praise Worship Celebration coming up on Saturday May 5th 2012 from 4 - 7pm at Hope Christian Church in Beltsville, MD. 20705.**

Pastor Akintunde Phillips gave a thought provoking exaltation from **2Chron 7:14**. He admonished all to be true to God's word, that if we are obedient to His word, that heavens will surely open. He prayed that the vision of ANU is a Godly vision that will surely impact Africa strongly. Pastor Phillips reminded all that God promised that *...if my people change from their wicked ways and sin no more that He will heal the land*. He said God has chosen this ministry for a purpose that His name may be forever known in the land. He encouraged all, that we can be confident of change in Africa if we remain righteous and steadfast in our faith. A second dance ministrations to the song, **Worthy His the Lamb** was beautifully danced by Ms. Mayowa with ecstatic steps. Next was Master Nifemi Taiwo, with a solemn violin rendition of the Lord's prayer **Our Father Who Art in Heaven...** This was followed by another time of thanksgiving praise by Brother Ben's and the riveting praise team with songs such as **He has promised, Praise the Lord oh my soul, Fire Fire fall on us, on the day of Pentecost, What manner of man is Jesus** and rounded out with a gentle **U R Alpha and Omega, and U R Worthy to be Glorified...**

In the Praise Report, Rev. Paul Taiwo reminded all that faith without works is dead, while he gave updates on the progress of ANU's 2nd Project, **Africa Ask**- a missions tool. He claimed with gratitude that more projects were on-going across Africa. He was excited about the completion of Nigeria's second Ask project in Abere village, in Edo State, a water borehole, which has brought a new dimension has to how to fund raise for on-going projects; by inviting all family, friends, colleagues and partners to join in funding for approved projects. He invited all to visit ANU's website at [www.africaneesu.org](http://www.africaneesu.org) to see photos on projects and donate to other ongoing projects. With Gods grace, much favor and hard work he prayed that all approved projects will all be completed by years end. He repeated and reiterated further, that Africa's development should come first from **massive rural development** of basic core human needs area in health, education, water and agriculture spearheaded by proper basic road infrastructure linking villages to villages and towns across the landscape of Africa. He charged all to continue to PUSH, that our prayers are being answered in the spirit realms, and that what we see now is just the beginning of a greater tomorrow for our beloved Africa, as ordained by Almighty God. Rev. Taiwo, again thanked GGMI Church, especially Pastor Phillips and those who came out and prayed God's grace upon all. Sister Judith Okeke, gave a purposeful closing prayer, followed by lite refreshments and fellowship. Glory Alleluia!
