A glorious time of praise followed the prayer session, and this led us into a time of ministration by Pastor Derrick McCoy, an Associate Pastor at Hope Christian Church. Preaching on the topic 'Believing for the impossible', Pastor Derrick reminded all that with God, all things are possible to those who believe. He encouraged ANU for their work and all present for coming out to support them. He posed a rhetorical question, that how many people believe in God? but have struggled with understanding Him and at times have even said this is too much, all these issues. He encouraged us to know that God is always in control, reminding us that if we have faith as small as a mustard seed, we could move mountains, but that every seed planted must first die before it bears fruit, John 12:24. He said our prayers is one piece of the instrument, coupled with our faith, the ingredient can now move mountains, quoting from John 14:14... "you may ask for anything in my name, and I will do it," and Jer 29:11-13... "For I know the plans I have for you..."

Next, was a special selection by the praise team titled 'You Are God, You Are not a man oh...', which affirmed ANU's belief, that surely in the very near future, Africa will rise up again to give God glory for His grace and mercy. Rev Taiwo, encouraged all to remain steadfast in faith, that it is only thru our petition, prayers and fasting that our Jehovah Rophi - the healer, will heal the land of Africa. He said we should believe, that Africa is changing. Closing prayers was given by Brother Raymond Hanson. The session ended with lite refreshments and a time of fellowship, Praise the Lord!
