Praise the LORD, all nations! Extol him, all peoples! - Psalms 117:1

2012 - Year of Amazing Love Transformation - Praise Report

Saturday July 7th, 2012

We loved and worshipped our Lord as we beautifully praised and adored Saturday at **Africa Prays** July session at Hope Christian Church in Beltsville, MD. The ever faithful praise team led by drum maestro, Benjamin Joseph, rendered various worship songs which glorified God and energized all present. Earlier, was a short opening prayer by Sister Tsitsi Phiri and a joyful welcome to all by Rev. Paul Taiwo, Executive Director of ANU, who appreciated all who came out to stand in the gap for Africa on the weekend of US Independence Day celebrations

In a powerful ministration of the word, Pastor Alex Kehinde Taiwo, of RCCG Christian Church from Lagos, Nigeria, admonished all present to believe and support the noble vision of ANU for Africa, let's make a difference, let's impact our generations, he charged. He thanked ANU for a great vision that would be a catalyst for the development of the African Continent, acclaimed that we should all be committed to projects of this nature, individually, corporately and collectively. Pastor Alex, encouraged Rev. Paul, that their will be mockers, discouragers, naysayers and distracters, but he should remain steadfast and stand firm on the words of God as a provider for all things such as for **Nehemiah**. He reminded all that our Lord is a rewarder of the faithful, that by seeding your services, investing your time, energy and resources; he prophesied that ANU's harvest is at hand, that God will release provisions for all projects unto ANU in Jesus name. He rounded out by praying for Rev. Paul n family n all co-laborers, that God bless them and the works of their hands will be fruitful in Jesus name.

Brother Femi Odukoya, who had just been part of a Youth Conference with some First Ladies of African Nations directed the thanksgiving prayers for continued change in Africa and grace to remain steadfast in prayer and continue to PUSH. He prayed for all countries celebrating their independence day in **July: South Sudan, Rwanda & Burundi (01), Cape Verde & Algeria (05), Comoros & Malawi (06) South Sudan (09), Sao Tome & Principe (12) Egypt (23) & Liberia (26)**; that the future will usher in greater peace n prosperity for the people; Election of **Mohamed Mursi, Egyptian President**; greater peace n prosperity for the people and region; Nelson Mandela's Day on 18th; the 2nd year anniversary of the release of ANU end goal vision, the **Redeemer Man Plan - MIDA** project, a massive infrastructural development of the continent, likened to the **Marshall Plan** for Europe. This project emphasizing that it is only thru massive rural development in Africa and provision of basic human capital needs in the areas of health, education, water resources, agriculture, transportation, telecoms and energy that Africa could attain, spread and maintain progressive development to reduce poverty.

Ms. Mayowa Taiwo ministered gracefully in dance to **I was made to Love U** by Toby Mac to a rounding ovation. Praise thanksgiving rent the air as Sister Dola, Brother Ben's and the Praise team captivated all with powerful praise songs like **Awesome God, Angels R Singing, Jehovah You R the most High** and many more thanking our Lord for His mercy that endures forever upon us all especially on Africa.

The presentation of a gift shawl from the women of Nakonde Village of Northern Zambia by Sister Tsitsi Phiri to appreciate Sister Yinka Taiwo, as a loving supportive wife behind the man running ANU, ushered the Praise Report . A gracious Rev. Taiwo, thanked Sister Phiri, and prayed that the school project in Nakonde will be completed soon. Again, he reminded all that a tree does not make a forest, saying one country or two cannot move Africa forward, that what is needed is a consortium of nations about 15-20 (out of 55), to rise up strong enough to pull up their neighbors and transform Africa. He said this is why we need a **MIDA** plan for Africa, it has been done around the globe in few places and it could be replicated again in Africa starting in 2015 thru 2025, a kind of 5 to 10 years developmental plan for Africa; the time is ripe and it is now. He said one recurring question he gets when he talks about the **MIDA** Plan is, where is the funds going to come from? But with God all things are possible **Matt 19:26**, he said, and reminds all that Africa is endowed and blessed, that within the land is more than oil, gold n diamonds. Sister Seun Holmes led closing prayers thanking God for ANU's various projects across Africa. Great fellowship and refreshments ensued. Praise the Lord!
