2013 - Year of Divine Favor - Praise Celebration Report

Saturday June 1st, 2013

Wonderful, Merciful, Savior was beautifully praised and adored this past Saturday at **Africa Prays** June session at New Wine Assembly NWA-RCCG, in Washington DC. Pastor Sina Adebisi, the Snr Pastor of NWA, welcomed and thanked all and gave the opening prayer. NWA praise team followed with a wonderfully awesome worship time, giving glory to our Lord. Rev. Chukwuemeka Paul Taiwo, ANU's Executive Director, excitedly welcomed all who came out to stand in the gap for Africa and thanked NWA for their support, the 5th time annual **June** hosting of Africa Prays session, and for being a part of last month's ANU, **6th Annual Africa Praise &**

Thanksgiving Worship Concert. He testified of the glaring changes across Africa and prayed for sustainability and progression IJN; Citing from **Hbk 2:2-3**, he encouraged all to visit YOUTUBE to see the animation revealing in full details and complete vision of ANU.

A powerful dance ministration to '**Wonderful, Merciful, Savior**' was magnificently stepped by Ms. Mayowa Taiwo. Next was a strong word of encouragement from Pastor Sina Adebisi on the importance of using our God given talents, from **Matt 25: 15-30**, he admonished **all to use their God given talents well, however much or little, do something and not to be like the one who got one talent and found excuses and reason for doing nothing productive with it. He reminded all that we are going to account for how we used the talents we have been given, and we should strive to be those who the Lord would be pleased with.** Rev Paul, thanked Pastor Sina and reiterated on the same passage, pleaded with all to do something in changing, Africa, no matter how small, but to sow a seed of love especially in area of education, health and drinkable water. He admonished all that although at times our criticism stems from our love and passion for the continent, it sometimes sounds as complaining which is unconstructive. We are the **new Joseph**, and we should change our anger and frustration to something more useful and productive in giving back and to allow God to change the lives of others through us, so that generations yet unborn, will give glory to God.

A passionate time of thanksgiving prayer was facilitated by Brother Tosin Adekambi. He thanked God for the ongoing changes across the Continent & prayed for; Grace, wisdom, discernment, clarity and resources for implementation of **AU endorsed PIDA plan**; grace n favor for USA in all engagements across the globe and for President Obama, grace on Africa trip to Senegal, Tanzania and South Africa; Rio+20 UN Conf on Sustainable Dev in Rio de Janeiro in Brazil; Wisdom in developing renewable portable, **Solar Power System** in solving Africa's energy crises; **grace** for Church leaders to commit **10%** of annual income to fulfill the Great Commission; 3rd Annv. release of ANU's end-goal-vision **MIDA (PIDA)** boldness & divine favor; thanks for a very **successful Africa Prays 6th Annual Thanksgiving Praise n Worship Celebration last May 4th** and he rounded out and prayed for all countries celebrating Independence in June; **Mali-20; Mozambique-25; Somalia n Madagascar-26; Djibouti-27; Seychelles-29 & Congo DRC-30** lastly, & special prayers for grace for fathers on **Fathers Day-16. July's Africa Prays on Saturday the 6th at Heavenly Kingdom Bible Church in Catonsville, MD off of route 40E in Baltimore from 4 – 6pm.**

In a powerful and solemn dance ministration to '**Everlasting God**' song by New Life Worship, Ms. Mayowa, angelic steps touched all to a powerful ovation. Again, the anointed NWA Church Praise team got all rejoicing and worshipping our Lord as we offered thanks for all answered prayers and still expectant on more. In a riveting Praise Report, buttressing Pastor Adebisi's words of exaltation, Rev Paul, reminded all about the beauty of Africa, to PUSH rather than worry about a few distractions; he said anything that will not bring glory to God is a distraction and alluded to one of the biggest as CORRUPTION, which he observed as one of the causes of spiritual and systemic crippling for most **diasporans**; but that he prayed that it would not continue to render us comatose, but rather strengthen all to do something by using our talents for the good of our beloved Africa, believing that Africa is changing thru the works of our hands. He reminded all that our purpose here is like **Joseph**, to help our fellow brethren to berth a glorious Africa, we have been blessed, spread your blessings around to touch and impact Africa with your sacrifices of love. He said, now the vision is complete and now on line at africaneedsu.org and the **M.I.D.A. plan on youtube** for all to see, **John 14:12; Hbkk 2:2-3**. Pastor Mrs. Folu Olu-Ayeni gave a powerful closing prayer, thanked God for ANU and Rev Paul Taiwo for grace and strength and complete actualization of the vision in Jesus name. A great time of fellowship with lite refreshments served, ended a glorious session. Alleluia, Shalom!
