## Praise Report on Africa Prays

Saturday November 6th, 2010

Praise the Lord all ye Faithfull, to Him be all the glory for yet another great Praise session at November's **Africa Prays** last Saturday in Beltsville, MD at Hope Christian Church. Rev. Paul Taiwo, welcomed all who came out on a busy jammed packed weekend to wait on the Lord for Africa's renewal, he affirmed to all present that having just got back from Nigeria and Cameroon, that truly Africa is changing. He encouraged us all to believe in tomorrow's Africa. A soulful time of Thanksgiving Praise led by Sister Dola Ashamu with Brothers Ben Joseph n Solomon Ekwukoma.

**Believe, Africa is Changing**, was the message by Rev. Taiwo, reading from [Isaiah 43:18-20](#)... *'Remember ye not the former things, neither consider the things of old..'* Behold, he said the Lord is doing a new thing in Africa. He admonished us to keep faith, be consistent in praise, prayer, works and plant a love seed to bless others. Again, Rev. Taiwo stated the vision of ANU as one that is geared towards the physical and spiritual development of millions of Africans laying emphasis on renewal of man to love their neighbor as themselves, a cardinal principle needed for Africa's advancement. Development in Africa must be truly birthed first from the rural areas out for progressive and sustainable spread development to be ensured.

Thanksgiving prayers were led by Sister Seun Holmes, who powerfully proclaimed the changing scene in Africa as inevitable. She thanked God for continued protection on the United States and grace upon President Obama dealing now with real change especially after the mid elections; for enduring peace across some hot spots in Africa and a successful third Anniversary Celebration for **Africa Prays** last October. She invited all to come out for the upcoming 24Hrs End-of-Year Praise Celebration on Friday 3rd December 6pm thru 6pm Saturday 4th. A short dynamic Praise session ushered in the Praise Report given by Rev Taiwo. Again, he invited all to come out and make a joyful noise unto the Lord for Africa this Dec. He reemphasized some of the changes taking shape in some parts of Africa, the move to privatization of ineffective govt corporations. In Cameroon and Nigeria, the governments have sold some to private enterprises, surely this move will increase efficiency, productivity and quality in goods and services been delivered. He also talked about the [AfricaAsk](#) Project **post-a-project** site, with a couple of projects awaiting approval for Buea, Cameroon. He enjoined all to partner along with ANU to do great exploits thru the Africaask project. Closing prayers by Master Nifemi Taiwo was followed by a lovely time of fellowship. Alleluia Shalom!!!
